2016:
There are lots of plans for 2016:

- Community Engagement Officer – EOI tabled for P&C feedback. Request that a member of the P&C assist with the deliberations for the appointment

- Grounds and Buildings
  - Would be great to have a working bee to construct our Dry Creek bed and our Matchbox car area.
  - Continue replacing air conditioners
  - Area D project – tender this Friday
  - Hall of Fame
  - Playground paintings – done in the holidays
  - Hall curtains – done in the holidays
  - Complete the Aboriginal mural wall
  - Interactive whiteboards in 10 rooms

- Sunshine playground – Artificial turf being laid this weekend. P&C have agreed to provide $5000 towards this. Total cost of project is $10131

Future projects:
- Resurfacing of the play equipment
- Interactive whiteboards update – the school has carried over some funds and will be replacing the whiteboards in 10 rooms.

Homework:
- A contentious issue. The school currently has a policy that homework should be completed (tabled). It is often a frustrating issue for parents and teachers. Teachers spend much time setting and marking homework and there are many who do not complete it.
  Survey last year was not convincing with regard to removing the homework policy but staff have agreed that if parents decide that they don’t want their child to complete homework they can sign off to let the teacher know.

Swimming carnival:
- House meetings are being held this Friday to elect Sports captains. All children in Years 3-6 are expected to attend the annual swimming carival.
