Dear Parents,

1. At various times the students of our school will be using the playing fields directly below Elizabeth Macarthur High School as well as facilities within the high school and around the local community. On these occasions they will be under direct teacher supervision and when walking to either location will not be required to cross any roads. So that a separate note is not required for each time we use these facilities, we are asking that the permission note below be signed, so as to give us permission for your child/ren to walk to either location, when required throughout their enrolment at Narellan Vale Public School.

2. During the year we will be collecting pictures of your children at work and play. We would also like to publicise the great things the children do at Narellan Vale Public School through media release and stories. The press often want photos to go with this. We will keep you informed on each instance of this so you can find your child’s picture in the media. Please sign the attached permission note. This permission will be ongoing for your child whilst they are enrolled at NVPS. Please contact the school if you have any concerns or would like to rescind this permission.

3. Sometimes as rewards or as part of HSIE lessons teachers would like to be able to show movies that have a PG classification. The teacher will choose carefully any movies to be shown. Could you please sign below to give permission for your child to view these movies.

NB These permissions will remain active for the duration of your child’s enrolment at Narellan Vale Public School. Parents can withdraw permission at any time. We will remind parents of these permissions each year.

Thank you for your assistance.
